"Note that all seven rows are ways of looking at the tasks that are of real value. Nevertheless, it would be a great mistake to assume that any one row is the answer to the Unfinished Task. None of the numbers in the final column (Left to Do!) are exact. All the numbers are rough estimates. No one communication tool or approach can by itself complete the Great Commission. God is orchestrating all of these tools and approaches to bring about 'A Church for Every People.'" Quote and original diagram: Winter / Koch, Perspectives Reader 4th Ed. pg. 558.
