

Panta ta ethne, Revelation 7:9, Prayer Strategy

These prayer resources involve the “all people groups” (‘panta ta ethne’, Rev. 7:9) prayer strategy. This includes every Joshua Project (JP) people group and Unreached People Group (UPG), both Frontier and Least-Reached, in every country and region of the world. Comprehensive coverage, with no repetition. The Daily Prayer Guides (DPG) include 7-8 “prayer vitals” information, for the serious prayer warrior! Recognizing that many believers are most burdened for prayer for their own regions and countries, regional and country Daily Prayer Guides are provided. If believers want to focus on a particular country for prayer, they can save, print and use the relevant pages for that country. Due to God’s great love and Jesus’ redemption of “panta ta ethne”, all believers are encouraged to regularly pray for the lost and the Unreached People Groups of the world. For “serious” UPG prayer warriors, use the 2021 all World JP-UPG-DPG, praying daily for about 20 or 21 UPGs, thus praying for all 7,407 Joshua Project UPG in a year.
