Dhofari Arabs in Oman

These Arabs speak their own variety of Arabic, residing in Salala and nearby coastal regions of Oman. Even though Oman is a modern country, western influences are quite restricted. A very important part of Omani culture is hospitality. If invited into an Omani house, a visitor is likely to be greeted with a bowl of dates, qahwa (coffee with cardamom) and fruit. Omanis practice a unique brand of Islam, Ibadhism.

Ministry Obstacles
