# Parachi in Afghanistan

The Parachi people live in five villages of Afghanistan, most of which are north of Kabul or in the nearby Hindu Kush Valley. They are Sunni Muslim, and they have very few people, if any, who have put their faith in Jesus Christ.

## Ministry Obstacles

With no Christ followers in their villages, it is seemingly impossible for any movement to spread. These communities are tight knit and any change in spiritual beliefs is rare because it is viewed as a threat to all of them.

## Outreach Ideas

Believers in Kabul should fervently pray for them and try to reach them with the blessings of Christ. Perhaps they would accept culturally appropriate music and skits that glorify the Lord.

## Prayer Focus

Pray for the protection and spiritual growth of any followers of Christ living among the Parachi. Pray for them to be strong and share what the Holy Spirit is teaching them. Pray that the Parachi's physical and spiritual needs would be met. Pray that there would be good

schooling and access to medical resources. Pray for their leaders to have peace with God through Jesus Christ, the only savior, and to allow those in their community to do the same. Pray for a Disciple Making Movement to Christ in the Parachi community.

**SCRIPTURE** There is salvation in no one else! God has given no other name under heaven by which we must be saved. Acts 4:12

**PRAY** for today's people group to come to understand that salvation is found only in Jesus Christ and in no other religion.
