Srigaud Brahmins in India

The Srigaud Brahmins are almost exclusively Hindu, a truly unreached group! They value education and supporting their elderly. Their lives as Brahmins center around duty to gods, ancestors, life, to the Hindu communities they serve and the Hindu scriptures. To them, each of these is an important sacred duty. Many are well-educated and employed accordingly. Most Srigaud Brahmin families prefer to be employed in challenging professions such as computer software engineering rather than being a priest.

Ministry Obstacles

Because Brahmins see themselves a "twice born" and at the top of the caste order and often well off, they may not see the need for salvation in Christ. They also know few if any from any Brahmin community who follows Christ.

Outreach Ideas

They could watch the JESUS Film and discuss it afterwards. Others can hear and interface with both the Hindu and Christian scriptures.

community. Pray that the Srigaud Brahmin community would become dissatisfied with their current situation and begin to seek answers to their questions in the teachings of Jesus Christ. Pray for spiritual hunger among these Brahmins that will result in a movement to Christ.

SCRIPTURE But now Jesus, our High Priest, has been given a ministry that is far superior to the old priesthood, for He is the one who mediates for us a far better covenant with God, based on better promises. Heb 8:6

PRAY for today's people to realize that their works will never make them pleasing to God. Pray they trust in the grace of God found only in Christ.
