

Ngundi

Ngundi

A map of the Central African Republic and its surrounding countries. The Central African Republic is centrally located, with Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo to the south. Major cities marked include N'délé, Bossangoa, Bambari, Bangassou, and Bangui (the capital, marked with a star). Other locations include Birao, Bouar, Carnot, Berbérati, and Nola. The map shows the Ubangui and Congo rivers, Lake Chad, and the Equator. A scale bar at the top right indicates distances of 0, 100, and 200 km.

Ngundi

A map of the Central African Republic and its surrounding countries. The Central African Republic is centrally located, with Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo to the south. Major cities marked include Bangui (the capital, indicated with a star), Ndélé, Bossangoa, Bria, Bambari, Bangassou, Nola, Berberati, and Bouar. The Ouaka River is shown flowing through the country. Neighboring bodies of water include Lake Chad to the northwest and Lake Tangué to the south. A scale bar at the top right shows distances in kilometers (0, 100, 200) and miles (0, 120, 200). The Equator is marked at the bottom.

Ngundi

A map of the Central African Republic and its surrounding countries. The Central African Republic is centrally located, with Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo to the south. Major cities marked include N'délé, Bossangoa, Bria, Bambari, Bangassou, and Bangui (the capital). Rivers shown include the Ouaka, Congo, and Uele. A scale bar at the top right indicates distances of 0, 100, and 200 km. Latitude and longitude lines are marked on the map.

Ngundi

The map shows the Central African Republic (CAR) in the center, bordered by Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo (DRC) to the south. The capital, Bangui, is marked with a star on the Sangha River. Other cities shown include Ndélé, Bossangoa, Bria, Bambari, and Bangassou. The Ouaka River is also depicted. A scale bar at the top right indicates distances of 0, 100, and 200 km. The Equator is shown passing through the southern part of the country.

Ngundi

A map of Central Africa showing the Central African Republic (CAR) in the center. To the north is Chad, to the east is Sudan, to the west is Cameroon, and to the south is the Democratic Republic of the Congo (DRC). The capital, Bangui, is marked with a star on the Sangha River. Other cities shown include Ndélé, Birao, Bossangoa, Bria, Bambari, Bangassou, Bouar, Carnot, Berberati, and Nola. The Congo River is shown flowing through the south. The Equator is marked at the bottom. A scale bar at the top right indicates distances up to 200 km. Lake Chad is visible in the northwest.

Ngundi

A map of the Central African Republic and its surrounding countries. The Central African Republic is centrally located, bordered by Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo to the south. Major cities marked include Bangui (the capital, indicated by a star), Ndélé, Bossangoa, Bouar, Carnot, Berberati, Nola, Bria, Bambari, and Bangassou. Rivers shown include the Sangha, Ouaka, Mboum, and Logone. The Equator is marked near the bottom. A scale bar at the top right shows distances up to 200 km.

Ngundi

A map of the Central African Republic and its surrounding region. The Central African Republic is the central focus, with its capital, Bangui, marked with a star. Other cities shown include N'délé, Bossangoa, Bria, Bambari, Bangassou, Carnot, Berberati, Bouar, and Mont Ngoko. The map shows the borders with Chad to the north, Sudan to the northeast, Cameroon to the west, and the Democratic Republic of the Congo to the south. The Congo River and its tributaries, including the Ouaka, Sangha, and Mboumbo, are depicted. The Equator is shown passing through the southern part of the country. A scale bar at the top right indicates distances of 0, 100, and 200 km. The map also shows parts of Lake Chad to the northwest and the Gulf of Guinea to the southwest.
